

CITY OF FONKAPARINGA

**THE BEST
PLACE TO
WORK, LIVE
AND PLAY**

WELCOME TO THE CITY OF ONKAPARINGA!

We may be biased, but we think our city is the best place to work, live and play.

Home to some of the best beaches in South Australia, world renowned wineries, cycling and walking trails for all abilities, and the spectacular Onkaparinga National Park, there is an abundance of places to explore and things to do here in Onkaparinga.

But the heart and soul of Onkaparinga is its people and the strong community spirit we share. From sporting clubs, theatre groups, artists and amazing businesses, there are many ways to connect and be involved in our community.

For those of you who are new to our city we hope this booklet inspires you to get out and about and meet new people.

And if you already call Onkaparinga home, then we hope you find something new to enjoy or an old favourite that you can share with family and friends.

Erin Thompson
Mayor, City of Onkaparinga

MEET NEW PEOPLE

A photograph of two women sitting at a wooden table in an outdoor cafe setting. The woman on the left is wearing a patterned headscarf and a grey sweater, smiling broadly. The woman on the right has long brown hair and is wearing a brown jacket over a green top, also laughing. They are both looking towards the right. In the background, other people are seated at tables under umbrellas, and the building has a stone facade.

Meeting new people with shared interests plays an important part in making us all feel connected.

Luckily, there are many ways to get to know the people who live in our city.
